With lyrical prose that flows like a gentle stream, the book paints a vivid picture of the moon's nightly journey. As darkness descends, the moon emerges from its slumber, its silvery glow illuminating the sleeping world below. But who, oh who, has the magical power to guide the moon as it traverses the vast expanse of the night sky?

The story unfolds through a series of enchanting encounters, each one revealing a different perspective on the moon's enigmatic existence. From a wise old tree that stands tall and proud, its branches reaching for the heavens, to a playful cloud that dances across the sky, leaving a trail of silvery laughter in its wake, the book weaves together a rich tapestry of characters that bring the moon's journey to life.

Join the young dreamer as they embark on a literary adventure, where the moon becomes a companion and the stars ignite their imagination.

"Who Tells the Moon to Sleep" is not just a bedtime story; it is an invitation to explore the boundless realms of imagination and wonder.
