The book is divided into four parts. The first part provides an overview of China's foreign policy in Northeast Asia. The second part examines China's relations with Japan, including the historical background, the current state of relations, and the challenges and opportunities that the two countries

face. The third part examines China's relations with South Korea, including the historical background, the current state of relations, and the challenges and opportunities that the two countries face. The fourth part examines China's relations with North Korea, including the historical background, the current state of relations, and the challenges and opportunities that the two countries face. The fifth part examines China's relations with Russia, including the historical background, the current state of relations, and the challenges and opportunities that the two countries face.

China Engagement With Japan The Koreas And Russia In The Era Of Reform Studies is a timely and important book that provides a comprehensive analysis of China's engagement with its neighboring countries in Northeast Asia. The book is essential reading for scholars, policymakers, and anyone interested in understanding the complex and evolving relationships between China and its neighbors.
