Choices Luke Skywalker Made That Could Have Doomed Everyone: Star Wars Wavelength

Luke Skywalker is one of the most iconic characters in all of fiction. He's a hero, a role model, and an inspiration to millions of people around the

world. But even Luke Skywalker has made some mistakes. Here are five choices that could have doomed everyone:

1. Not joining the Rebellion sooner

When Luke first met Obi-Wan Kenobi, he was reluctant to join the Rebellion. He was afraid of leaving his aunt and uncle, and he didn't want to get involved in a war. But Obi-Wan convinced him that he was the only one who could defeat Darth Vader and save the galaxy. If Luke had waited any longer to join the Rebellion, it's possible that the Empire would have been victorious.

2. Confronting Darth Vader on Cloud City

In The Empire Strikes Back, Luke confronts Darth Vader on Cloud City. He knows that Vader is his father, but he still tries to defeat him. This is a foolish decision, as Vader is much more powerful than Luke. Luke is lucky to escape with his life.

3. Giving in to his anger

In Return of the Jedi, Luke gives in to his anger and attacks Darth Vader. This is a mistake, as it makes him vulnerable to the dark side of the Force. Vader senses Luke's anger and uses it to defeat him. Luke is only saved when Vader realizes that Luke is his son.

4. Exiling himself to Ahch-To

In The Last Jedi, Luke exiles himself to Ahch-To after failing to train Kylo Ren. This is a selfish decision, as it leaves the Resistance without a leader. Luke eventually comes to his senses and returns to the fight, but it's possible that the Resistance would have been defeated without him.

5. Sacrificing himself to save the Resistance

In The Last Jedi, Luke sacrifices himself to save the Resistance. This is a heroic decision, but it's also a foolish one. Luke is the only one who can defeat Kylo Ren and save the galaxy. By sacrificing himself, he leaves the galaxy vulnerable to the dark side.

These are just a few of the choices that Luke Skywalker made that could have doomed everyone. Despite his mistakes, Luke is still a hero. He is a symbol of hope and courage, and he has inspired millions of people around the world.
