- **Book accommodations:** Plan your stops and book accommodations in advance, especially if you are traveling during peak season. This will

ensure you have a place to stay each night and avoid any last-minute surprises.

- **Pack wisely:** Bring only the essentials and pack light. Remember that you'll likely be doing a lot of walking and driving, so you don't want to weigh yourself down with unnecessary baggage.
- **Prepare your vehicle:** Make sure your vehicle is in good working order. Get an oil change, check your tires, and top off all fluids. It's also a good idea to pack an emergency roadside kit in case of any unexpected breakdowns.
