A Journey Through the Heart and Soul of British Folk Music

The English fiddle is a unique and beautiful instrument with a rich history and tradition. In this comprehensive guide, renowned fiddler and scholar Jon Liebman takes you on a journey through the heart and soul of British folk music.

Liebman begins by exploring the history of the English fiddle, from its origins in the medieval period to its development into a popular instrument in the 18th and 19th centuries. He discusses the different types of fiddles that were played in England, as well as the regional styles that emerged across the country.

Next, Liebman provides a detailed overview of the techniques used to play the English fiddle. He covers everything from basic bowing techniques to advanced ornamentation. He also includes a chapter on fiddle tuning, which is essential for getting the right sound.

The heart of the book is a repertoire of traditional English fiddle tunes. Liebman has selected a wide variety of tunes, from lively dance tunes to haunting ballads. Each tune is presented with clear notation and tablature, as well as a brief history and description.

English Fiddle is a must-have resource for any English folk music enthusiast. It is a comprehensive guide to the history, instruments, techniques, and repertoire of this beautiful and unique musical tradition.

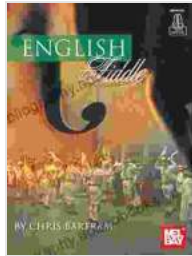

About the Author

Jon Liebman is a renowned fiddler, scholar, and teacher. He is the author of several books on fiddle music, including *The Fiddle Book* and *The Irish Fiddle Book*. He has also recorded numerous albums of fiddle music, both solo and with other musicians.
