The book is divided into three sections. The first section, "The Early Days," tells the stories of Floridians who were among the first to be affected by the pandemic. These stories are full of uncertainty and fear, but they also show the strength and determination of the people of Florida.

The second section, "The Long Haul," tells the stories of Floridians who have been living with the pandemic for months. These stories are full of challenges and setbacks, but they also show the power of hope and the importance of community.

The third section, "The Future," tells the stories of Floridians who are looking ahead to the future with hope and optimism. These stories are full of plans and dreams, and they show that the people of Florida are determined to build a better future for themselves and their families.

Florida Dreams Live On Through Covid 19 is a must-read for anyone who has been affected by the pandemic. The book is full of hope and inspiration, and it will remind you that you are not alone.
