A Novel by David Toms

In the remote and unforgiving wilderness of the North, a young woman named Lyra embarks on a perilous journey to find her missing brother. Along the way, she encounters a cast of unforgettable characters, each with their own secrets and motivations.

Lyra's brother, Eamon, has always been her protector and confidant. But when he disappears without a trace, Lyra is left alone and afraid.

Determined to find him, she sets out into the unforgiving wilderness, armed with only her wits and her courage.

Along the way, Lyra meets a gruff trapper named Jack, a mysterious Native American shaman named Raven, and a beautiful but troubled young woman named Anya. Each of these characters has their own reasons for being in the North, and each of them will play a role in Lyra's journey.

As Lyra gets closer to the truth about her brother's disappearance, she uncovers a dark secret that threatens to destroy everything she holds dear. She must face her own fears and demons if she wants to save her brother and herself.

Northly is a gripping and suspenseful novel that explores the power of love, family, and the human spirit. It is a story about the lengths we will go to for those we love, and the sacrifices we must make along the way.
