Uncover the Heroes Who Make a Difference

Behind every rescued dog is a story of unsung heroes who dedicate their lives to giving these animals a second chance. Hordyk introduces us to the dedicated volunteers, veterinarians, and foster families who work tirelessly to provide medical care, rehabilitation, and love to dogs in need. These ordinary individuals embody the extraordinary spirit of compassion that makes all the difference in the lives of these deserving creatures.

Explore the Power of Empathy and Second Chances

"Rescue Tales of Flying Dogs" is not merely a collection of stories; it is an invitation to reflect on the importance of empathy and the transformative power of offering second chances. Through the eyes of these remarkable dogs, we gain a deeper understanding of the profound impact that a single act of kindness can have on an entire life. The book challenges us to open our hearts and minds to the possibility of redemption, both for ourselves and for the animals we share our world with.

The volunteers and staff of Flying Dog Rescue are true heroes, giving dogs a second chance at a happy and fulfilling life.

A Journey of Hope, Healing, and Inspiration

Prepare to be inspired, uplifted, and forever changed by the heartwarming tales in "Rescue Tales of Flying Dogs." This remarkable book will ignite your compassion, challenge your perceptions, and remind you of the extraordinary connections that exist between humans and animals. It is a testament to the power of hope, healing, and the unsung heroes who make the world a better place, one rescued dog at a time.

About the Author: Lorna Hordyk

Lorna Hordyk is an award-winning animal advocate, author, and speaker. As the co-founder and Executive Director of Flying Dog Rescue, she has dedicated her life to saving dogs from euthanasia and providing them with a second chance at happiness. Lorna's passion for animal welfare shines through in her captivating writing, which brings the stories of rescued dogs to life and inspires readers to make a difference in the lives of animals.
