From China to California: A Family's Odyssey

Wang's memoir begins in the rural town of Yangzhou, China, where she was born in 1963. Her family's life is a stark contrast to the opulent cities of the West, marked by poverty and hardship. When Wang is seven, her father is offered a prestigious scholarship to study in the United States, opening up a door to a world of unknown possibilities.

With trepidation and hope intertwined, the family packs their meager belongings and embarks on a transoceanic adventure. They arrive in California, a land of promise and wonder, yet also a place where they must navigate the unfamiliar customs and the inherent prejudices of a foreign society.

This voyage of reconnection fills her with a profound sense of purpose and a deep appreciation for the legacy of her family.
