

Votescam: The Stealing of America - Forbidden Bookshelf

In his explosive new book, *Votescam*, Greg Palast reveals the shocking truth about the 2020 election: it was stolen.

Based on years of meticulous research and reporting, Palast uncovers a vast network of voter suppression and fraud that tipped the election in favor of Donald Trump. He shows how Republicans used gerrymandering, voter ID laws, and other tactics to make it harder for people to vote, particularly in communities of color. He also documents how Trump and his allies engaged in a systematic campaign to undermine the postal service and sow doubt about the legitimacy of the election.
