What Can I See: A Journey to the Top of the World's Highest Mountains is a breathtaking account of one man's quest to climb the seven summits, the highest mountains on each continent. This book is full of stunning photography, heart-pounding stories, and inspiring insights into the human spirit.

Author Mark Jenkins is a world-renowned climber who has summited all seven summits multiple times. In this book, he shares his experiences of climbing these iconic peaks, from the towering heights of Mount Everest to the icy slopes of Denali. Jenkins' writing is both lyrical and informative, and he captures the beauty and danger of these mountains in equal measure.

What Can I See is more than just a climbing book. It is a story of adventure, perseverance, and the human spirit. Jenkins' journey is an inspiration to anyone who has ever dreamed of achieving something great. This book is a must-read for anyone who loves climbing, mountains, or simply wants to be inspired by a story of human achievement.
